Flatware

Athena provides collections of stainless steel flatware with choices of different polishing to brighten up the dining atmosphere from smart casual to simple elegance. Mirror, satin, vintage and pvd coloring at your choice.

Mirror Polish

shiny and elegant.
Extra care required to keep long lasting lustre.

Flatware

Matt Polish

silky and smooth. Easier to handle, finger prints proof.

Vintage Polish

solid and aged texture. Easy to handle, virtually scratch proof.

Flatware

ROSE GOLD

WHAT IS PVD?

PHYSICAL VAPOUR DEPOSITION (PVD)
IS AN ECO-FRIENDLY VACUUM COATING PROCESS THAT IS WIDELY
APPLIED ON DIFFERENT CATERGORIES OF PRODUCTS SUCH AS JEWELRY,
DOOR HARDWARE, CAR ACCESSORIES AND MARINE FITTINGS.

MATT ROSE GOLD

NOW, WE BRING IT ONTO TABLEWARE TO PROVIDE BRILLIANT
AND DURABLE DECORATIVE FINISH WITH EXCELLENT WEAR AND
CORROSION RESISTANCE.
IT IS NOT EASY TO CHIP, FADE, CORRODE OR TARNISH AND
MOST IMPORTANTLY, IT IS FOOD SAFE.

Vintage Rose Gold

Flatware

How is PVD processed?

Physical Vapour Deposition (PVD)
is a process to produce a metal vapour to deposit on the tableware surface as a thin but highly adhered pure metal or alloy coating.

The color is determined by the content of metal oxide. The process is carried out in a vacuum chamber so that the metal layer formed
is guaranteed to be pure.

Matt Titan

Vintage Titan

Bright Gold

Matt Gold

Vintage Gold

Choco

How to keep PVD tableware in good luster?

Physical Vapour Deposition (PVD) Processed tableware can be used, washed and stored as normal stainless steel cultery. Care applied to Stainless Steel cultery also apply to PVD cultery.

It is dishwasher safe and food safe.

Lyndon

Professionally crafted series in precise shape, gauge and capacity. Perfect for high volume modern cafés. Comes in pretty but subtle colors, well coordinated with Athena's Mason flatware.

Mini

Designed for espresso single or double shots.
Easy to grip handle, tiny & sexy.

Regular

A friendly size for mocha, flatwhite or fruit tea.
Thickened wall for prolonged heat retention.

Grande

Good for both cappuccino & caffe Latte. Latte art is enhanced by the jumbo cup size and rounded inner base.
Thickened wall for prolonged heat retention.

Coffee & Tea

Tall

A universal size for americano, cappuccino, chocolate and even iced drink.

Regal

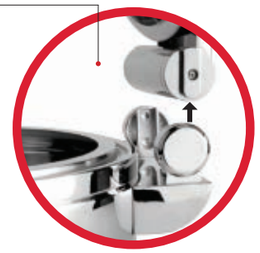
Deluxe Induction Chafing Dish

Regal is the face-lifted version of Prince which features a big tempered glass lid providing a panoramic view of food aiming to raise appetite. It has a clean and slim silhouette and top quality defined by the patented hydraulic hinge and heavy gauge stainless steel body.

Smooth opening, auto stop, silent closing. Good for induction, electric and fuel.

- 18/10 Stainless Steel Body
- With Capsuled Bottom Compatible for Induction, chafer Fuel and Electric Heater
- EU1935/2004 Food Safe Standard Conformed

Detachable Lid
– For quick & easy cleaning



Lid Position
– Opens up to maximum 90°
– Stays open at approx. 75°
– Initiate to close by pressing down gently
– Lid falls & closes automatically & Silently

Noise Stopper
– Eases noise of closing lid

hydraulic Hinge
– For smooth opening & closing of lid

Water Return System
– Condensation flows back to water pan instead of food

Convenient Notch
– Changing food pan easily

Capsuled Bottom
– Multi- layer bottom for fast & even heating

Prince

Deluxe Induction Chafing Dish

Metropolitan design and simple silhouette, forming the Top class in athena's family. An evolved version of patented hydraulic hinge is applied to all models in this series to provide smooth opening & silent closing of the lid.

Heavy gauge in shiny stainless steel defines it's quality & durability. It can be used directly on induction or go with matching stand for electric or chafer fuel.

Lid Position
– Opens up to maximum 90°
– Stays open at approx. 75°
– Initiate to close by pressing down gently
– Lid falls & closes automatically & Silently

- 18/10 Stainless Steel Body
- With Capsuled Bottom Compatible for Induction, chafer Fuel and Electric Heater

Courtyard

It is the first series of functional trolleys from Athena. Warm natural color of fine solid wood add a touch of class to your service. Two main lines at your choices -service and buffet. The service line is a good helper to waiter for the sophisticated service around the dining table. The buffet line is an extension of food display from the big table to high traffic or events. More designs and accessories are coming soon.

Flatware, Steak Knives & Kitchen Knives

Flatware including knives, forks & spoons, steak knives and kitchen knives are produced with fine stainless steel which have high resistance to corrosion & rust. Provided with proper use & care, they can last their shine for years. Please observe the following advice.

Prepare for first Use
Wash with warm water, clean with neutral detergent with a soft cloth or sponge. Rinse and dry thoroughly.

Instructions to user
1) Wash immediately after use and wash knives separately from forks and spoons to avoid oxidation.
2) Use neutral or slightly alkaline detergents.
3) Do not rub them with abrasive products, metal or synthetic wool.
4) Dry piece by piece with a soft and absorbing cloth immediately after washing.
5) Allow to dry completely & store in a cool & dry place

Remark
The content of metals & minerals naturally existed in tap water varies greatly from place to place. These metals & minerals in water drops left on the surface of washed flatware, especially knives, will be oxidized in open air, taking hours to form permanent stains or water marks. The best way to prevent is to dry the flatware & knives with a soft and absorbing cloth immediately after washing - no matter after manual or machine wash.

Special caring for articles with special handle
Athena signature collections come with fine stainless steel for blades and selected materials for handles. Handle made with stamina wood or acrylic are fragile and they require special caring:

1) Hand wash with mild neutral detergent and rinse thoroughly under cold running water. Soaking into water must be avoided because it might lead to cracking of handle.
2) Dry manually with a clean & soft cloth immediately after washing, then allow drying thoroughly at a standing post, with blade tip pointing down, in a cool place avoiding direct sunshine.
3) Direct sunshine or heat from stove can lead to handle cracking. Please avoid.
4) When not in use, store in a cool & dry place to avoid moss.

ITEMS IN FULL STAINLESS STEEL ARE DISHWASHER SAFE.

ITEMS WITH WOODEN OR ACRYLIC HANDLE ARE NOT DISHWASHER SAFE!

PVD Flatware

Flatware including knives, forks & spoons are produced with fine stainless steel which have high resistance to corrosion & rust.

PVD is an extra process to add beautiful color onto the surface of polished stainless steel. This color is done by a process called "Polarised Vacuum Deposition" in which ions of metal oxide determining the color is deposited onto the surface of steel, leaving a permanent and long lasting surface layer.

Handling with extra care will help to avoid scratching of surface and thus keep the color longer. PVD coloring will not peel but is subject to careless scratch.

Provided with proper use & care, they can last their shine for years. Please observe the following advice.

Prepare for first Use
Wash with warm water, clean with neutral detergent with a soft cloth or sponge. Rinse and dry thoroughly.

Instructions to user
1) Wash immediately after use and wash knives separately from forks and spoons to avoid oxidation.
2) Use neutral or slightly alkaline detergents.
3) Do not rub them with abrasive products, metal or synthetic wool.
4) Dry piece by piece with a soft and absorbing cloth immediately after washing.
5) Allow to dry completely & store in a cool & dry place

Remark
The content of metals & minerals naturally existed in tap water varies greatly from place to place. These metals & minerals in water drops left on the surface of washed flatware, especially knives, will be oxidized in open air, taking hours to form permanent stains or water marks. The best way to prevent is to dry the flatware & knives with a soft and absorbing cloth immediately after washing - no matter after manual or machine wash.

Warning
Leaving the flatware in food residue tray may lead to formation of permanent stain and mark on surface of the flatware due to possibly high acid and salt content in the food residue. Flatware shall be washed immediately after use.

ITEMS IN WHOLE PIECE STAINLESS STEEL, NO MATTER WITH PVD OR NOT, ARE DISHWASHER SAFE.

Stainless Steel Hollow Ware & Mini Ware

Products made with stainless steel have a high resistance to corrosion & rust. As the surfaces are either polished in mirror or satin to provide an attractive luster, they must be handled with care to avoid scratching & denting.

Provided with proper use & care, they can last their shine for years. Please observe the following advice.

Prepare for first Use
Wash with warm water, clean with neutral detergent with a soft cloth or sponge. Rinse and dry thoroughly.

Instructions to user
1) Wash immediately after use.
2) Use neutral or slightly alkaline detergents.
3) Do not rub them with abrasive products, metal or synthetic wool.
4) Dry piece by piece with a soft and absorbing cloth immediately after washing.
5) Allow to dry completely & store in a cool & dry place

Remark
The content of metals & minerals naturally existed in tap water varies greatly from place to place. Wooden Serving Boards & Bowls

Prepare for first Use

Wash under running water, clean with neutral detergent with a soft cloth or sponge. Rinse and dry thoroughly.

Instructions to user

1) The colour and grain appear in natural wood vary diversely from piece to piece. This is natural and does not affect performance.
2) Scratches may be formed during daily use such as cutting. Stain, odor and germs might stay on the scratches. Washing immediately after each use together applying anti-bacterial surface cleanser will be of great help to hygiene.
3) Rub the wood surface with small amount of vegetable oil from time to time can resume the smoothness and shine of the board.
4) It is advisable to replace old boards after a reasonable time of use to avoid chances for germs embedding in the scratches.

Clean & Maintenance

5) After each use, apply anti-bacterial surface cleanser, wipe once and wash thoroughly with neutral detergent under running water. Rinse again and dry thoroughly.
6) Do not use metal or abrasive cleaning gadgets, or apply acidic or corrosive cleaning liquid. Permanent damage can be formed.
7) Soaking into water must be avoided because it might lead to cracking of board.
8) Dry manually with a clean & soft cloth immediately after washing, then allow drying thoroughly at a standing post, in a cool place avoiding direct sunshine.
9) Direct sunshine or heat from stove can lead to cracking of board. Please avoid.
10) When not in use, store in a cool & dry place to avoid moss.

CAUTION! DO NOT USE IN DISHWASHER!

Porcelain, Ceramic & Stoneware

Prepare for first Use

Wash with warm water, clean with neutral detergent with a soft cloth or sponge. Rinse and dry thoroughly.

Instructions to user

1) These products are fired at very high temperature during the formation of shape & color. The glaze applied formed a water proof surface on the plates and bowls thus making them very suitable to be used for food serving.
2) Thanks to the glazed surface, they are stain resistant, odor resistant and virtually germs resistant. However due to long use natural wearing or scratches may be formed on the surface.
3) It is advisable to replace old plates and bowls after a reasonable time of use to avoid chances for germs embedding in the scratches.

Clean & Maintenance

4) After each use, apply neutral detergent and use a soft cloth or sponge and wash the product in warm water. Rinse and dry thoroughly.
5) Do not use metal or abrasive cleaning gadgets, or apply acidic or corrosive cleaning liquid. Permanent damage can be formed.
6) After proper cleaning, store the product in a cool, dry and safe place. Stay away from sharp metal or objects to avoid scratching.

THESE PRODUCTS ARE DISHWASHER, OVEN & MICROWAVE SAFE

CAUTION! PORCELAIN, CERAMIC OR STONEWARE APPEAR WITH DECAL IN METAL COLOR MIGHT CONTAIN CONSIDERABLE AMOUNT OF REAL METAL, IN THAT CASE THEY ARE NOT SAFE TO BE USED IN MICROWAVE OWEN!

Soda Lime Glasses and Glassware (Not Including Double Wall Glasses)

Prepare for first Use

Wash with warm water, clean with neutral detergent with a soft cloth or sponge. Rinse and dry thoroughly.

Instructions to user

Do not let children using thin glasses as they might bite the bowl and swallow the chips.

Clean & Maintenance

1) After using, apply neutral detergent and use a soft cloth or sponge and wash the product in warm water. Rinse the last round with hotter water –the water drops on glasses, vaporize quickly so it is easier to dry thoroughly with a piece of soft cloth.
2) Do not allow to air dry as water stain may form and that is difficult to remove later.
3) Do not use metal or abrasive cleaning gadgets, or apply acidic or corrosive cleaning liquid. Permanent damage can be formed.
4) After proper cleaning, store the product in a cool, dry and safe place. Stay away from sharp metal or objects to avoid scratching.

THESE PRODUCTS ARE DISHWASHER & MICROWAVE SAFE

NOT FOR STOVE TOP USE!

CAUTION! GLASSWARE APPEAR WITH DECAL IN METAL COLOR MIGHT CONTAIN CONSIDERABLE AMOUNT OF REAL METAL, IN THAT CASE THEY ARE NOT SAFE TO BE USED IN MICROWAVE OWEN!

Double Wall Glasses

Double wall glasses are so called "Thermo glasses" as they keep the drink at their temperature longer thanks to the double wall vacuum feature.

When the drink is hot, the glass keeps your hand cool. When the drink is cold, the glass does not frost so your hand stays dry.

However as these products are uniquely handcrafted they are delicate and not suitable for use by children due to thin body gauge.

Prepare for first Use

Wash with warm water, clean with neutral detergent with a soft cloth or sponge. Rinse and dry thoroughly.

Instructions to user

1) Hot fluids must be handled with care
2) Not for stove top use
3) Please keep away from children

Clean & Maintenance

4) These are handmade products which require extra care for handling
5) Metal utensils such as spoons, must be applied gently

Extra Care

6) After using, apply neutral detergent and use a soft cloth or sponge and wash the product in warm water. Rinse and dry thoroughly.
7) Do not use metal or abrasive cleaning gadgets, or apply acidic or corrosive cleaning liquid. Permanent damage can be formed.
8) After proper cleaning, store the product in a cool, dry and safe place. Stay away from sharp metal or objects to avoid scratching.

THESE PRODUCTS ARE DISHWASHER SAFE

DO NOT USE IN MICROWAVE OWEN!
