Tabletop

chilewich®

Chilewich brings depth to surfaces.

Reimagining the potential of extruded yarns, New York designer Sandy Chilewich introduced her woven textiles to the international design community in 2000. The innovative placemats, runners, tray liners, and custom table coverings soon replaced the generic tablecloth that once defined fine dining, transforming how restaurants and hotels around the world set their tables.

Today our design-led company's unique coverings for tabletops, floors, and more continue to push the boundaries of form and function. Designed and made in the United States, the ever-evolving Hospitality collection combines innovative weaves and distinctive colors with extraordinary durability and easy maintenance.

Woven Rugs

Made from Chilewich's signature textiles bonded with a flexible backing, our high-performance rugs combine the dimension of weaving with a sleek profile, indoors or out. Self-bound edges complete the refined look. The commercial-grade latex backing provides a slip-resistant base layer, enhanced durability, and added comfort underfoot, making them a favorite for entryways, hallways, check-in, service stations, and cabanas. A range of stocked sizes is available, along with the option to customize, with no minimum order.

MADDER, Botanic

Shag Indoor/Outdoor Rugs

Made by tufting loops of Chilewich's signature TerraStrand® yarns onto a primary backing and then binding them to a hardworking vinyl foundation that can weather any storm, Shag mats add texture and stability underfoot, indoors or out. These quick-drying mats are also resistant to mold, mildew, and chlorine, making them ideal for use in spa and pool areas, entryways, bathrooms, and beverage stations.
