OUR CLIENTS

ABOUT NARDI

Established in 1999, we are more than two decades old and cater specifically to the hospitality industry. Currently based in Malaysia and proudly boasting an office space of 15,000 sq ft along with more than 200,000 sq ft of factory-floor space, we sure have come a long way.

Over the years, we have handled an extremely niche market whereby we cater a global clientele of customers as well as agents with our specially crafted custom-made products. From the biggest and the best hotels in the world to huge development projects, we have delivered impeccably in all. With an initiative to reach new heights, we are also aggressively exporting our products since 2000. Our vision of expansion has yielded profitably with more than 50% of our total turnover being the direct outcome of the exports.

The world is growing fast and at a rapid pace. We, NARDI, believe that in order to be in tandem with the world, our eyes have to be set on the future. We do not shy away from incorporating anything 'new' & 'groundbreaking' into our business models. Hence, we are proudly one of three companies in Asia Pacific that has incorporated the niche Moulded Edge Casting on our furniture. Taking our futuristic vision forward, we have invested heavily in robotic welding and high technology CNC machines to create the best products.

OUR MISSION

With eyes set on expanding our horizons globally, our vision is to become a key player in supplying the most effective solutions to the hotel & hospitality industry in all of the leading as well as emerging markets of the world.

OUR VISION

From using premium quality of raw materials and machineries to highly effective technology, we leave no stone unturned. In line with our company's vision, we sincerely intend to fulfill each of our customer's needs as well as demands with innovative and custom-made products, competitive pricing and timely deliveries.
